August 29, 2023

Dear Residents of Glendale Town,

Re: Monthly Town Board Meetings and Quarterly Financial Reports

We hope this letter finds you well and thriving in our vibrant community of Glendale Town. As a crucial part of our commitment to transparency, community engagement, and effective

governance, we would like to inform you about two important matters regarding town affairs and provide links to those resources that would alleviate any unnecessary concerns. We hope this letter will help clarify a few things that have been expressed.

****Monthly Town Board Meetings:****

As you know, our monthly Glendale Town Board meetings are a vital platform for open dialogue, decision-making, and progress in our town. These meetings are typically scheduled to take place every third Thursday of each month, offering an opportunity for residents to voice their opinions, share concerns, and engage in discussions that shape the future of our community. Utah requires Glendale to post meeting agendas, 24 hours prior to the scheduled event here:

Utah Public Notice website

<https://www.utah.gov/pmn/search.html>

For your convenience, the Utah Public Notice website provides an email subscription option to receive notices for future meetings straight to your email inbox.

Minutes and audio from previous meetings are also available for your review.

Please note that in certain circumstances, meeting dates might be subject to change due to unforeseen events or holidays. We recommend that you stay informed about any updates by checking back here at our **Official Glendale Website**. You can find an up-to-date schedule of upcoming meetings, along with any relevant information including upcoming events, announcements, newsletters, etc.

And for those who prefer not to go online, printed agendas are posted for viewing at the local post office and at the Glendale Town Hall outside on the public notice bulletin board.

We encourage your active participation in these meetings as your input greatly contributes to the betterment of Glendale Town.

****Quarterly Financial Reports:****

In accordance with the regulations set forth by the state of Utah, Glendale Town is required to file financial reports on a quarterly basis. These reports provide a transparent overview of our financial activities, ensuring accountability and responsible management of public funds. We want to assure you that we take this responsibility seriously, as it reflects our dedication to maintaining the trust you have placed in us.

For your convenience, the reports are available in a very user-friendly format here:

Transparent Utah

<https://transparent.utah.gov/>

Your active involvement and support contribute to the vitality and growth of Glendale Town. We greatly appreciate your ongoing commitment to making our community a wonderful place to live, work, and thrive.

Thank you for your attention to these matters. We look forward to seeing you at our upcoming town board meetings and encourage you to reach out if you have any questions or concerns.

With warmest regards,

Melanie Dutson

Clerk for Glendale Town Corporation
